

USP-KI 4th Scientific Research Meeting

Preliminary Conference Agenda (Please note that changes may occur)

Theme of the conference: Registers and cohorts in research

August 22-24, 2018

At Karolinska Institutet, Stockholm, Sweden

Opening/Plenary Session: Wednesday, August 22, 2018

Venue: Nobel Forum, Nobels väg 1

9:00 am	Welcome by the organizing committee	Dr. Martin Schalling (KI) Dr. Homero Vallada (USP) Dr. Antonio Rothfuchs (KI)
9:10 am	Leadership Greetings	Karin Dahlman Wright, Vice-President (KI) Martin Schalling, Academic Coordinator for Brazil (KI)
9:30	Coffee break	
9:50am	Common session- Register and cohorts in research Swedish Twin Registry Internet Psychiatry Cohorts 20 years of building renal cohorts Registries and biobanks in papillomavirus research Public Health cohorts Scream Renal registry SwedeHeart registry	Nancy Pedersen Christian Ruck Peter Stenvinkel Joakim Dillner Yvonne Forsell J. Carrero Tomas Jernberg
12:20pm	Lunch at Nanna Schwarz, Aula Medica	
1:50 pm	Common session- Register for cohorts in research Brazilian cohorts- CVD and general health Baependi Project Autosomal dominant polycystic kidney disease cohort Psychiatry and community care Cancer registry Diabetes nephropathy High risk Cohort study for psychiatry	Paulo Lotufo Alexandre Pereira Luiz Onuchic Paulo Menezes Maria Aparecida Folgueira Irene Noronha Giovanni Salum
4:10 pm	Coffee break	
4:30 pm	Common session – How to transform data to and from the clinic To and from the clinic – the 4D project Brazilian counterpart	Lars Klareskog José Eduardo Krieger
7:00 pm	Welcome dinner and social mixer at Hotel Carolina	

Theme-Related Breakout Sessions: Thursday, August 23, 2018
Venue: Bioclinicum

9:00 am	Breakout sessions Psychiatry Cardiovascular/Renal medicine, Public Health / Big Data Oncology Education – opportunities for undergraduates to PhDs	See list of participants below
12:30am	Lunch at Nanna Swartz,	
1:30 pm	Tour at BioClinicum and Karolinska Univeristy Hospital	
3:00 pm	Breakout sessions Psychiatry Cardiovascular/Renal medicine, Public Health / Big Data Oncology Education – opportunities for undergraduates to PhDs	See list of participants below
7:00 pm	Speakers Dinner at Hotel Carolina	

Common Session: Friday, August 24, 2018
Venue: Nobel Forum, Nobels väg 1

8:30am 9:00	Key note speaker Transforming research findings to top level innovation	Martin Schalling
9:00	Coffee break	
9:30	Plenary session - Opportunities and outreach- Integrating education research and society Representatives from funding agencies, business and other academic collaborations give 15 min opening statement each followed by panel discussion Brazilian Embassy in Sweden Getinge group Brighter AB INNOVAIR VINNOVA Swedish Research Council (VR) Surrey-USP long term collaboration	Alexandre Silva Ulf Andersson Henrik Norström Anders Blom Ciro Vasquez Johan Fanger Malcolm von Schantz
12:00 – 13:00	Closing session: Discussion/summary, future plans	Dr. Martin Schalling (KI) Dr. Homero Vallada (USP) Dr. Antonio Rothfuchs (KI)
13:00	Lunch	

Theme Related Breakout Sessions Thursday morning, August 23, 2018

Psychiatry, Room Biomedicum 2, Campus Solna

Program Chair: Martin Schalling (KI) and Homero Vallada (USP)		
9:00	<i>Child/adolescent psychiatry</i>	David Mataix-Cols, KI
9:30	<i>Brazilian High Risk Cohort for Psychiatric Disorders</i>	Giovani Salum, USP
10:00	<i>Coffee Break</i>	
10:30	<i>Anxiety and OCD research at KI</i>	Christian Ruck, KI
11:00	<i>Cohort of OCD patients</i>	Marcelo Hoexter, USP

Renal/CVC, Room Biomedicum 3, Campus Solna

Program Chair: Jose Krieger and Magnus Bäck		
9:00	<i>Risc factors for aortic stenosis</i>	Magnus Bäck, KI
9:30	<i>Baependi family longitudinal cohort</i>	Jose Krieger, USP
10:00	<i>Coffee Break</i>	
10:30	<i>Clinical reality of ADPKD in a large Brazilian reference center</i>	Luiz Onuchic, USP
11:00	<i>Rethinking inflammation: Neural circuits in control of immunity</i>	Peder Olofsson, KI

Public Health, Room Mary, Tomtebodavägen 18 A, Building Widerströmska

Round table discussion on advances and collaboration in public health, open session		
9:00	<i>Public Health program at KI (tentative)</i>	Helle Mølsted Alvesson
9:30	<i>Cohort on multiple disorders in six Brazilian universities</i>	Paulo Lotufo, USP
10:00	<i>Coffee Break</i>	
10:30	<i>Cohort mortality in Psychiatric Disorders</i>	Paulo Menezes, USP
11:00		

Oncology, Room Biomedicum 4, Campus Solna

Round table on cancer and oncology, Bengt Fadeel and Klas Wiman		
9:00	<i>P53 and novel cancer therapy</i>	Klas Wiman, KI
9.30	<i>Quality of live in young adults with cancer</i>	Maria Aparecida Folgueira
10:00	<i>Coffee Break</i>	
10:30	<i>Human papillomavirus infection in Brazil</i>	Luisa Villa, USP
	<i>Nanomedicine: New opportunities in cancer treatment</i>	Bengt Fadeel, KI

Eduaction, Room 635, Aula Medica

Open session round table discussion, Chair: Lennart Nilsson		
9:00	<i>Pro-Dean Docoral education KI</i>	Lennart Nilsson, KI
9:30	<i>International office at FMUSP</i>	Aluisio Segurado, USP
10:00	<i>Coffee Break</i>	
10:30	<i>Chair international committee for the biomed programs</i>	Jonas Sundbäck, KI
	<i>Speech and Language Pathology program</i>	Maria Olsson, KI

Theme Related Breakout Sessions Thursday afternoon, August 23, 2018

Psychiatry, Room Biomedicum 2,

Program Chair: Martin Schalling (KI) and Homero Vallada (USP)		
15:00	<i>Lithium studies clinical and biological aspects-prevention?</i>	Lena Backlund, KI
15:30	<i>Alzheimer and lithium cohort</i>	Orestes Forlenza, USP
16:00	<i>Coffee Break</i>	
16:30	<i>Registry based studies on ADHD</i>	Henrik Larsson, KI (tentative)
17:00	<i>Cohort of pregnant and disadvantage adolescents ADHD</i>	Guilherme Polanczyk, USP

Renal/CVC, Room Biomedicum 3

Program Chair: Jose Krieger and Magnus Bäck		
15:00	<i>Kidney Biopsy Project</i>	Anna Levin, KI
15:30	<i>Cohort of Diabetic nephropathy</i>	Irene Noronha, USP
16:00	<i>Coffee Break</i>	
16:30	<i>Longitudinal cohort - Adventist community (vegetarian diet)</i>	Alexandre Pereira, USP
17:00	<i>Heart friendly diet to CKD with hyperkalemia: randomized controlled clinical trial</i>	Carla Avesani, KI

Public Health Room Mary, Tomtebodavägen 18 A, Building Widerströmska

Round table discussion on advances and collaboration in public health, open session		
15:00		
15:30	<i>ELSA cohort – longitudinal studies on university employees</i>	Isabela Bensenor
16:00	<i>Coffee Break</i>	
16:30	<i>Epidemiologic studies with HPV</i>	Luisa Villa
17:00		

Oncology, Room Biomedicum 4

Program Chair: Bengt Fadeel and Klas Wiman		
15:00	<i>Open session for KI researchers interested in collaboration</i>	
15:30		
16:00	<i>Coffee Break</i>	
16:30		
17:00		

Eduaction, Room 635, Aula Medica

Open session round table discussion continued		
15:00	<i>Focus on finding more cases for valuable educational collaboration</i>	See above
15:30	<i>Group discussion, open participation</i>	Luíz Felipe Moreira
16:00	<i>Coffee Break</i>	
16:30	<i>Experience from educational exchange between Surrey, UK and USP</i>	Malcolm von Schantz
